The Coimbra Group of Brazilian Universities (CGBU)

The Coimbra Group of Brazilian Universities (CGBU) was created on October 29, 2008, in Brasília – DF – Brazil. It is a non-profit association of 77 universities, which are located at the five geographic regions of Brazil. [Click here to see the map and the list of associated universities.](#)

CGBU'S mission is to promote academic, scientific and cultural relations among associated institutions and international partners, through programs, projects and actions of international, bilateral and multilateral cooperation. The CGBU's activities are developed in partnership with International Organizations, Governmental Bodies, Rectors' Councils, Universities Network, Association of Universities and Universities from more than a hundred countries, in the five continents.
