

# II SEMINÁRIO BRASIL • TURQUIA DE NANOTECNOLOGIA

## II Brazil • Turkey Nanotechnology Seminar

### Workshop Program Day 3: December 3<sup>rd</sup>, Thursday

9:00 – 10h00 – Oral presentations

Prof<sup>o</sup>. Najeh Maissar Khalil, Midwest State University

*Polymeric nanoparticles in drug delivery*

Prof<sup>o</sup>. Bruno Brandoli, Mackenzie Presbyterian University

*Nanomaterial Characterization using Image Analysis*

Prof<sup>a</sup>. Sara Dafé, PUC-Minas

*Materials & Manufacturing: Department of Mechanical Engineering (PUC-Minas)*

Prof<sup>a</sup>. Seila Rojas de Souza, Federal University of Grande Dourados

*Thermoluminescence of solids*

10:00 – 10h30 – Debate (questions and discussion)

10:30 – 11:00 – Coffee Break

11:00 – 12:30 – Round-table: “Strengthening collaboration between Brazil and Turkey”

12:30 – 14:00 – Lunch

14:00 – 16:00 – Visit to the UFABC campus at Santo André.
